Kia ora koutou,

Here is our latest update about our work in the downtown area.

## **Upcoming footpath works on Commerce Street**

Work is progressing well on the Waitematā Station Plaza and Tyler Street upgrades, with the finishing touches being made on Tyler Street.

As part of these upgrades, we're installing a new footpath on the western side of Commerce Street, between Galway Street and Tyler Street. The work includes relocating traffic lights, and installing a new kerb line and paving.

### **When**

Tuesday 3 June to mid-September 2025

### **What to expect**

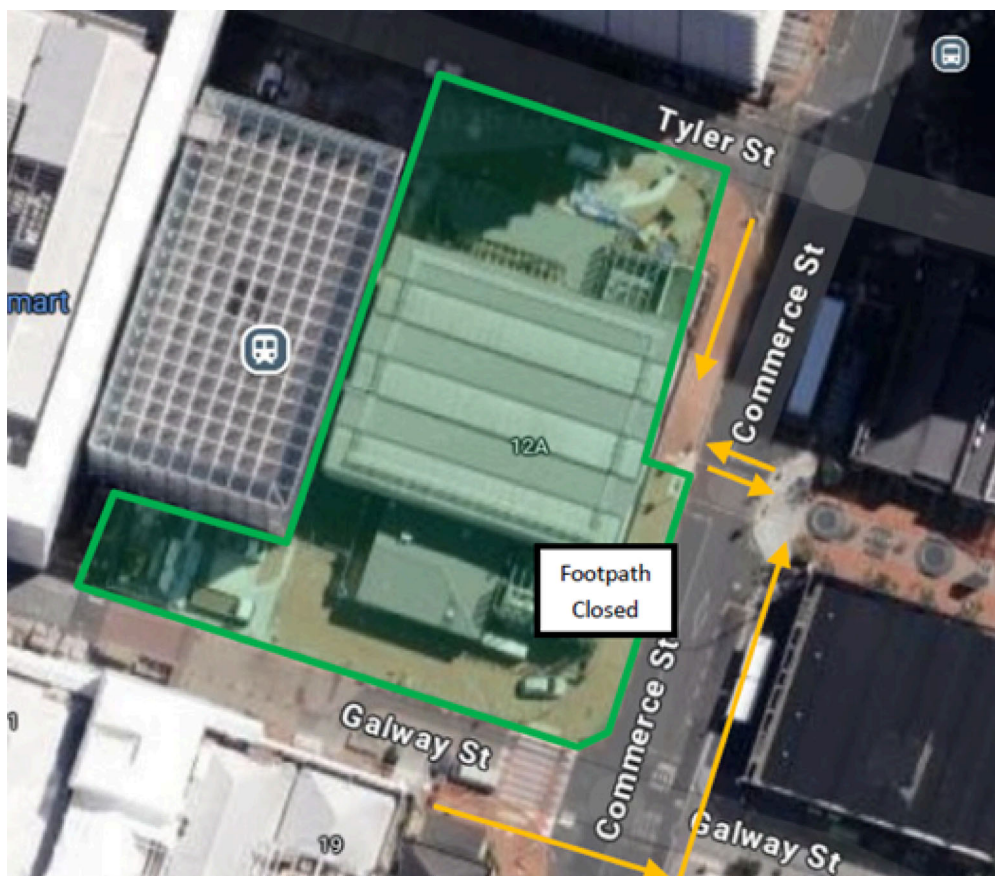

Footpath construction will happen in two stages:

- Stage 1: Southern section near Galway Street
- Stage 2: Northern section near Tyler Street (once the first section is complete)

Once the southern section is complete, it will reopen and work will shift to the northern end, near Tyler Street.

The signalised pedestrian crossing will remain open throughout the work. Well-marked detours will be in place to guide people walking through the area. Please follow the signage on site.

Vehicle access along Commerce Street will remain open.
